

# CIRCOLO DEI MONGOLI

Access: Proceed along Sentiero 219 to the Pass del Quattro Cantoni - before you reach the pass, just after passing the Bell Tower of San Guisto - the face becomes visible.

Material: Friends to #3 - double the medium sizes for comfort, stoppers.

P1: Climb towards the evident crack in the face to a belay - (6b+)  
P2: Continue up the crack to a large ledge, where you move slightly to the left (facing in) to reach a corner crack, then wide crack and a belay on a pedestal. (6b)  
P3: Go straight up from the belay and follow a vague and choosy line to the final belay. (V)  
P4. Reach the summit easily (III)

Descend: Abseil down the line
